Workshop Report: Computer Literacy Drive: A B C D of ICT

Workshop Theme: Skill Enhancement Initiative

Workshop Title: Computer Literacy Drive: A B C D of ICT

Organized On: 21st December 2021

Organized By: Internal Quality Assurance Cell (IQAC), Sadhan Chandra Mahavidyalaya

Speaker: Rohan Islam (Assistant Professor, Department of Bengali, Sadhan Chandra Mahavidyalaya)

Venue: Room no 103, Sadhan Chandra Mahavidyalaya

Students Participated: 55

Program Objective: The primary objective of the workshop was to enhance students' computer literacy and proficiency in information and communication technology (ICT) tools. The workshop aimed to provide participants with a comprehensive understanding of the fundamentals of ICT, covering topics such as basic computer operations, internet usage, digital literacy, and the utilization of ICT tools for academic and professional purposes.

Program Outcome: The workshop successfully achieved its objectives by:

Improving Computer Literacy: Through interactive sessions and hands-on demonstrations, participants gained practical knowledge and skills in utilizing computers for various tasks, including document creation, internet browsing, and email communication.

Promoting Digital Literacy: The workshop emphasized the importance of digital literacy in the modern era and equipped participants with the necessary skills to navigate digital platforms responsibly and ethically.

Empowering Students: By fostering a conducive learning environment and providing personalized guidance, the workshop empowered students to overcome their apprehensions about technology and develop confidence in utilizing ICT tools for their academic and professional endeavors.

Overall, the Computer Literacy Drive: A B C D of ICT workshop proved to be a valuable learning experience, equipping participants with essential computer skills and knowledge vital for their personal and professional development in the digital age.

Report on Know Your Computer

Workshop Theme: Skill Enhancement Initiative

Program Title: Know your Computer

Organized On: 27th May 2022

Organized By: IQAC, Sadhan Chandra Mahavidyalaya

Speaker: Soumen Manna

Venue: Room No. 204, Sadhan Chandra Mahavidyalaya

Students Participated: 29

Program Objectives: On the 27th of May 2022, Sadhan Chandra Mahavidyalaya's Internal Quality Assurance Cell (IQAC) organized a workshop titled "Know your Computer" under the theme of Skill Enhancement Initiative. The workshop aimed to equip students with fundamental computer skills, enhancing their capacity to effectively utilize technology in their academic and future professional endeavors.

The primary objectives of the workshop were:

- To familiarize students with the basic components and functions of a computer.
- To introduce essential software applications for academic and personal use.
- To enhance students' confidence in using technology for various tasks.
- To provide hands-on experience with common computer operations.
- Understanding the hardware components: CPU, memory, storage devices, input/output devices.
- Overview of operating systems and their functions.
- Exercises on creating documents, spreadsheets, and presentations.

Program outcome: The interactive nature of the workshop encouraged active participation from the students. They were given opportunities to ask questions, share their experiences, and participate in practical exercises. The hands-on practice sessions were particularly well-received, as they allowed students to apply what they had learned in real-time.

- Enhanced understanding of computer basics and essential software.
- Improved confidence in troubleshooting common computer issues.
- Greater readiness to utilize technology in academic settings.

The "Know your Computer" workshop successfully achieved its objectives of enhancing computer skills and building capacity among the students of Sadhan Chandra Mahavidyalaya. The event underscored the importance of integrating technology into education and preparing students for the digital age. The IQAC plans to continue organizing such initiatives to further develop the technological proficiency of its students. The workshop concluded with a vote of thanks to Mr. Soumen Manna for his insightful session and to all the participants for their enthusiastic involvement.

Report on the Skill Enhancement Workshop on Unlock the Power of AI & Machine Learning

Activity Theme: A Skill Enhancement Workshop

Activity Title: Unlock the Power of AI & Machine Learning

Organized On: 30th May 2023

Time: 11:00 AM

Organized By: Sadhan Chandra Mahavidyalaya, Harindanga, Falta in collaboration with Fakir Chand College, Diamond Harbour, South 24 Parganas

Speaker: Mohit Sarkar, Department of Mathematics, Fakir Chand College

Number of Participants: 57

Program Objective: The primary objective of the workshop was to provide participants with a robust understanding and practical experience in Artificial Intelligence (AI) and Machine Learning (ML). Specifically, the workshop aimed to:

- Introduce the fundamental concepts and principles of AI and ML.
- Explain the significance of AI and ML in modern technology and various industries.
- Demonstrate real-world applications of AI and ML, highlighting their impact and potential.
- Equip participants with practical skills through hands-on sessions using popular AI and ML tools and frameworks.
- Encourage critical thinking and problem-solving skills pertinent to AI and ML development.
- Foster an environment of collaboration and knowledge sharing among students and professionals.

Program Outcome: The workshop successfully achieved the following outcomes:

Enhanced Knowledge: Participants gained a thorough understanding of AI and ML concepts, including their historical context, current trends, and future directions.

Practical Skills: Through interactive sessions, participants learned to use tools such as Python, Tensor Flow, and scikit-learn, enabling them to build and evaluate basic AI and ML models.

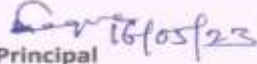

Application Awareness: Real-world case studies and examples illustrated how AI and ML are applied across various sectors, including healthcare, finance, and transportation.

Problem-Solving: Participants developed problem-solving skills by working on real-life AI and ML problems, enhancing their analytical and critical thinking abilities.

Future Preparedness: Attendees left the workshop better prepared to pursue further studies or careers in AI and ML, with a clear understanding of the skills and knowledge required in this rapidly evolving field.

The "Unlock the Power of AI & Machine Learning" workshop was a significant step towards enhancing participants' skills and knowledge in AI and ML. By providing both theoretical knowledge and practical experience, the workshop empowered attendees to explore and contribute to the dynamic field of AI and ML. The collaboration between Sadhan Chandra Mahavidyalaya and Fakir Chand College exemplified the importance of academic partnerships in advancing education and technology.
