Principal's Message

"We are confident that this budding institution will blossom to the fullest and translate the millennial dream of expanding the horizons of the young mind into reality."

I wish to take this opportunity to reach out to the students willing to take admission to our college and to their guardians to say a few words about Sadhan Chandra Mahavidyalaya. We, at Sadhan Chandra Mahavidyalaya, believe that our college is a source of pride not only for Harindanga, Falta but also for the District of South 24 Parganas as well as for West Bengal. The institution though young in age (established in 2007), has started playing a pivotal role in catering quality education to students hailing from the nearby localities as well as from the remote villages of South 24 Parganas. Most importantly students from all communities, caste and creed have given this Institution a truly cosmopolitan character and a unique distinction.

Sadhan Chandra Mahavidyalaya is a State Government aided and affiliated college of University of Calcutta. The College is included under section 2(f) & 12(B) of the UGC. Act, 1956. It is situated at Harindanga, P.O. Chaberia, P.S. Falta, Dist. South 24-Parganas. It is about 38 km away from Esplanade, Kolkata and 25 Km away from IIM, Joka. The college is providing quality education to the students and excels in areaspertaining to their all round development and upgradation of society at large. Students ranked First class 1st, 5th,9th & 20th in Bengali Honours (BNGA) and also in Education Honours (EDCA) ranked First class 1st, 4th & 21st in B.A. Part - III Examination, 2017 of University of Calcutta. The aim of the college is to cater and fulfill the needs of the rural youths of Bengal. The college offers Under Graduate (U.G.) (i) Honours courses in subjects: Bengali, English, History, Education, Philosophy, Political Science and Sanskrit, (ii) General courses are also offered in above mentioned subjects along with Geography in disciplines of Arts. The curriculum is designed by the Boards of Studies of Calcutta University and is revised time to time.

Dr Sk. Fazlul Haque M. Sc., Ph. D., FBSB

Traditionally, the college has always had a scholarly faculty. It has a set of highly qualified and motivated teachers, many of whom are involved in active research at various Universities. We have a high success rate and large number of students, who graduated from our college, pursues further studies at various prestigious Universities in India and some others absorbed in Government or Private sector. The number of classes taken by any department is among the highest in the State. There is a rare familial relationship between faculty and students, which allows students easy access to teachers. Academic difficulties are, therefore, easily sorted out.

I also convey my heartfelt gratitude to the Teaching staff, the Non Teaching staff and the Students who have nurtured the college and helped this Institution to grow in a stature. Needless to say, this is the beginning of our journey. I am confident that in the years to come, this institution, with the help and co-operation of all, will emerge as a pioneer Institution in providing excellent education to the coming generations and will achieve premier status as an "Institute of Excellence" for occupying an important site in the Educational map of West Bengal. In fine, I appeal to the students to observe college discipline strictly and to ensure to fulfill the idea: "The College is yours - Be proud of your college and let us be proud of you."

History, as E. H. Carr had observed "is the dialogue between the past and the present." The importance of the study of the history therefore becomes essential for each and every human seeking education because without the keen understanding of the past it becomes difficult to construct a strong present. The Department of History in Sadhan Chandra Mahavidyalaya effectively takes up the task of educating the present student as we believe that besides ensuring that our students obtain good grades in examinations, it is also our responsibility to nurture our students to become history conscious humans.

The Department of History of Sadhan Chandra Mahavidyalaya had started its journey in 2007, with the opening of the college, albeit as a pass course department. In the academic year 2009 -2010 the department started its honours course. In the year 2016-2017 and in the year 2017-2018, one student each had secured First Class Marks in the B.A (Hons) final examination. Each year, the Department organizes an excursion where the students are taken out to historical places for a day trip. Students are also encouraged to make presentation based on their experiences in those trips. Moreover, the students of the department, under the guidance of the teachers take out a wall magazine on various historical topics regularly. The Department also organizes student seminars where students selected by turn present papers on chosen topics. The Department wishes prospective new students joining us in the new academic session the very best. We hope together we will have a remarkable and fulfilling journey ahead and both the students and the department shall flourish in the process.

DEPARTMENT OF PHILOSOPHY

Nabakanta Bhunia, M.A. Assistant Professor, H.O.D.

Susnata Ghosh Assistant Professor M.A., M.Phil.

Dipannita Das Assistant Professor M.A.

The word 'Philosophy' originated from the Greek terms 'Philos' and 'Sopha', denotes love of wisdom. On the other hand, its Indian counterpart 'Darsan', originated from root Dris. After adding Lyut as suffix, means the process or instrument of seeing. Here the term 'seeing' does not mean, mere viewing or watching; rather viewing the truth or reality. Viewing the truth is impossible if someone does not have the love of wisdom. Thus, to see the truth or reality you must to be the lover of wisdom in some sense. Again, to acquire wisdom one must have the habit of questioning. In their UG course, students got the opportunity to deal with such philosophical questions from both Indian and Western perspectives. This practice enables them in the art of unbiased, critical and logical thinking. This practice is not only beneficial for students who want to build their career in academics but also in other fields of learning livelihood. Our department started its journey in 2007, the year of the inception of the college itself. In the academic year 2010-11, our department got the affiliation from CU for running honours course. In the academic year 2018-19, one student had secured First Class marks in the B.A. (Hons.) Final Examination. Before this, in the year 2016-17 another student had secured First Class marks in the B.A. (Hons.) Part-2 final examination (2017-18).

A couple of teacher exchange programmes have been conducted by our department in collaboration with the philosophy departments of eminent colleges of our district. Several other collaborative works with other departments of our college, like organising seminars or educational trips have been accomplished yet. Regular parent-teacher meetings have been arranged to reinforce students. Short-films with philosophical viability have been shown to set up a philosophical mindset in every sphere of life. Our department primary emphasises the participation style of teaching, encouraging students to express their own views. Our alumni are illuminating the name of our department as well as our college, in different government sectors and in the PG sections of different esteemed universities.
